

TCIA-Approved Tree Care Academy® Instructor Application
Program Applying for:

All Tree Care Industry Association (TCIA)-Approved Tree Care Academy[®] instructors must meet the following criteria. **Please check boxes and attach all required documentation.**

- Must hold a current certification as a Certified Treecare Safety Professional (CTSP). TCIA will verify status after application submission.
- □ Must show proof of having conducted at least five successful training seminars or workshops at recognized training events.

Documentation must be provided to show participation and success. Provide at least one of the following to verify participation in each of the five training events: notices from program or conference brochures; training materials or rosters used for the training; training catalogs; contracts; and/or, five specific post-event testimonials or evaluations showing positive results.

□ Must hold a current Tree Care Academy[®] certificate for the TCA courses to be taught. TCIA will verify status after application submission.
