

Think Outside the Booth

Booth events can help create “buzz” and draw traffic to your booth. Product demos, raffles, contests, giveaways, celebrity guests, book or poster signings, etc. are all staples of trade show marketing, and can effectively promote your brand at TCI EXPO.

But how do you get the word out about your great booth event? Try “thinking outside the booth,” and join the online conversation about TCI EXPO to achieve top-of-mind awareness for your marketing campaign. Go digital at TCI EXPO with the following:

EXHIBITOR LISTING

Your personalized exhibitor listing, found [HERE](#), can be used to promote your website, social media accounts, and other details such as booth events, giveaways or product promotions. Take a peek at your listing online and make sure it’s accurate. Want to make changes to your listing? Email mchen@tcia.org.
